## CARD MARKING IN THE 21ST CENTURY

**EVOLUTION TO TECHNICAL REVOLUTION** 

DETECT MARKED CARDS
TIMING & PSYCHOLOGY OF A CHEAT

"Those that fail to learn from history, are doomed to repeat it" *Winston Churchill* 

This DVD set is a unique, invaluable, consolidated resource which discusses virtually all varieties of marked cards. <u>Protect your casino by learning state-of-the-art marked cards detection methods.</u>

Understand how the latest high technology marked cards evolved from more traditional concepts. Not only will the viewer obtain a strong foundation relating to marked card principals, but, **more importantly** they will see how these ideas evolved into 20th and 21st century methods to maximize deception.

## **KNOWLEDGE IS POWER!**

You will be taught by Jeff Spiller, who has 40+ years of experience with marked cards and sleight of hand techniques. Owner of www.marked-cards.com (NU-CONcept Solutions).
